Total Health Professionals	232	267	490	555	650	740	880

Major Achievements in FY 2073/74

- Registration
- Prepared Minimum requirement
- Inspection, monitoring and supervision
- Prepared Monitoring Appraisal Check list

Key Opportunities

- Specialist in different Ayurveda discipline are in process of production
- More Ayurveda colleges are in pipeline for approval

Key opportunities at Federal Context

- Can be registered at province
- Supervision monitoring at province

Key Challenges

1. Lack of required means and resources
 - Land
 - Building
 - Budget
 - Vehicle
 - Human resource

Key Challenges

2. Incomplete Act and regulation

- License examination
- Registration
- Approval
- Quality Control
- Election of council member

3. Act and regulations of different professional council are not uniform

Way Forward

- Revision of Council act and regulation
- Allocate additional resources

Thank you
